- SQL
- Node.js
- java
- jQuery
- DSA
- C++

ADDITIONAL SKILL

- Problem-solving
- Communication skills
- SDLC
- Time Management

LANGUAGE

- Hindi
- English

EXPERIENCE

Web Developer Intern

DRDO | SEP, 2022 - DEC, 2022

- Develop a web application using HTML, CSS3, PHP, JavaScript, and MySQL database.
- Analyzed requirements to determine the best approach for developing new features or improving functionality
- Communicated with other team members regarding project status and issues as they arise.
- Documented all process used within the development environment including coding standards, version control procedures, etc..

PROJECTS

My Portfolio [2022]

- Create a personal portfolio website to showcase web development skill and projects.
- Designed and implemented a responsive user interface using HTML, CSS and JavaScript.

E-commerce [2023]

Description:

Developed the front-end of an e-commerce website, creating an engaging and user-friendly online shopping experience. Utilized HTML, CSS, JavaScript, and React to design and implement the user interface, ensuring responsiveness across various devices and browsers.

Achievements:

- Successfully delivered a visually appealing and functional front-end that enhanced the overall user experience.
- Improved website performance by optimizing load times and minimizing design inconsistencies.
